

Traineeship/Apprenticeship Opportunities

Are you looking to develop confidence and communication skills? A unique opportunity has arisen at Community Campus where you will receive high quality work experience and training plus the opportunity to progress on to an Apprenticeship in one of the following areas:

Business and Administration
Housing and Support
Construction

Transferable skills gained during the programme could be used to progress into many career paths.

The Traineeship is an education and training programme with work experience that is focused on giving young people the skills and experience that employers are looking for.

At its core are work preparation training, English and maths for those who need it, and a high quality work experience placement.

Traineeships help unlock your potential and give you the work preparation training, maths and English and work experience needed to get either an apprenticeship, a job or progress to full time education in your chosen area.

Community Campus wants to help young people aged 16 to 24 into work, by offering a quality work experience placement in one of the following areas - Business and Administration, Housing and Support and Construction.

Placements offer valuable work experience and help you gain the transferable skills to enable you to open the doors in to a variety of careers or courses within these industries.

The Traineeship programme will run over 30 hours per week for 6 weeks. You will spend 3 days in the work place gaining valuable work experience. In addition you will spend 2 days at Stockton Riverside College learning the skills needed to thrive in the workplace.

More than just a roof.....

A thick red horizontal line runs across the bottom of the page. On the right side, this line turns upwards and then downwards, forming a stylized red roof shape that mirrors the graphic element in the top right corner of the page.
